

Your Worldwide Source for Agricultural, Moving and Storage and Industrial Wood Products

For more than 40 years, International Wood Industries (IWI) has supplied customers with high-quality wood products. Our products are hard at work in the moving and storage, agricultural and food processing industries; as well as construction, manufacturing and logistics.

As a leading manufacturer of bulk shipping and storage bins, moving boxes, pallets, pallet components, fruit field bins, nut bins, cheese boxes, custom fabricated plywood components, pile cushions, and a broad range of other specialized wood products, IWI continually strives for innovation in both convenience and the value of our products and services.

Harvest and Fruit Bins

Whether you need nut bins for almonds, walnuts, pistachios, hazelnuts, apples, pears, raisins or stone fruit, International Wood Industries delivers.

IWI also supplies wood and metal replacement parts for our agricultural harvest and fruit field bins, so you can extend the life of the products you've put your trust in.
